LUNCH/DINNER RECOMMENDATION:

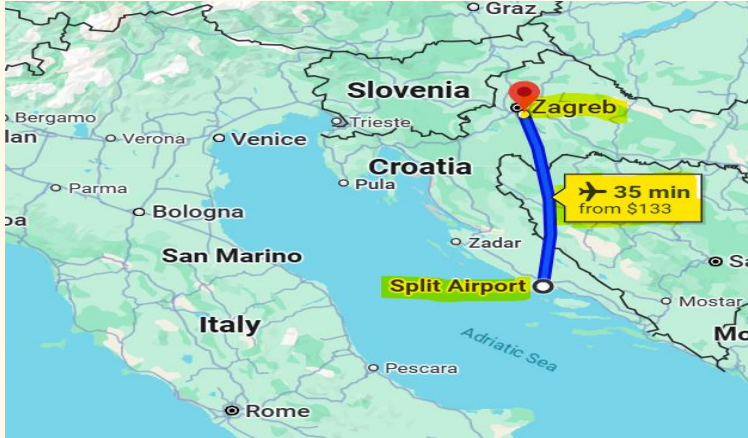

- [Dalmatino](#) – This is a must eat in Hvar and an amazing dining experience with incredible service. Dinner includes multiple rounds of free shots including a liquor that tasted like chocolate after eating a carob fruit and a post dinner lavender shot + dessert wine. Try the Gnocchi Istria and Tuna Tartare!
- [Fig](#) – Order the Fig & Farm Cheese Flatbread, Vegetarian House Burger and the Green Chili Chicken Burrito.
- [Restoran Mizarola Hvar](#) – A more casual dinner spot with delicious pizzas and a cute rooftop.
- [Lungo Mare](#) – Highly recommended restaurant if you enjoy meat dishes.
- [Central Park Club](#) – This is right down the street from Dalmatino with patio seating, live music, and a great ambiance
- [Konoba Arsenol](#) – Locally owned with stunning views of the bay
- [Konoba Menego](#) – If you are looking for a more traditional Croatian dinner, this would be a great spot to try! It is family run and nestled in Old Town along the way to the Fortica.

It is still a bit unclear, how the private house would only accommodate 2ppl, when its described, that two of the houses could sleep 5-6ppl. So maybe, the 2,100 € per house would need to be added to the 890 € per person -- In that case, the **per person portion for the house is \$446** (\$2230 : 5ppl). **TOTAL PER PERSON: \$995+\$446 = \$1441/person**
